

Nomination Form for IAVCEI Volcanic Surveillance and Crisis Management award

Supporters are required to answer the following four prompts about the nominated team. Each response must not exceed 20 lines in length (10 pt font size). In total, no more than 2 pages.

1. Please comment on the quality and impact of the nominated team in volcanic crisis surveillance or management. For example, this could be through the strength and depth of their response to a crisis, and/or the influence they have had on techniques and outcomes in the practice of crisis response or volcanic surveillance and management.

2. Please comment on the nominated team's contribution to eruption forecasts and crisis management.

3. Please comment on the contributions the nominated team has made via outreach and/or their work with risk managers.
